Updated: 27 October 2026 — SARS PBO and Section 18A approval status harmonised from the approval letter dated 26 October 2026.

The Board governs; Executive Management manages. The Founder/Founding Chairperson, Ms Busisiwe Makhosi Shandu, provides institutional oversight and does not sign, approve, initiate, co-authorise or control ASCO financial documents or transactions. Operational financial authority rests within the Board-approved delegation framework, including the Executive Director, Finance and Procurement Committee and authorised financial signatories.

1. Control Objective

Every donation must move through the controlled sequence: Donation received → Documented → Registered → Verified → Accounted for → Allocated → Reconciled → Acknowledged → Reported.

2. Segregation of Duties

Activity	Primary responsibility	Independent review
Receive / identify payment	Gift Administrator or Executive Director	Finance review
Register donation	Gift Administrator	Executive Director
Approve restrictions or high-risk terms	Executive Director / Committee / Board	Board reporting
Record accounting entry	Finance function	Executive Director / Committee
Reconcile bank and register	Finance function	Executive Director and quarterly Committee
Issue acknowledgement	Gift Administrator	Executive Director or delegate

3. Monthly Workflow

1. Obtain bank, payment processor, cash and in-kind receipt reports.
2. Match each item to a donation reference and source document.
3. Investigate unidentified payments and duplicate or missing entries.
4. Confirm restrictions, project codes and accounting classifications.
5. Reconcile Donation Register totals to accounting and bank/payment records.
6. Document differences, responsible officer, corrective action and closure.
7. Prepare a monthly donation and exception report for the Executive Director.
8. Submit quarterly summaries to the Finance and Procurement Committee and material matters to the Board.

4. Cash, Online and In-Kind Controls

- Cash is discouraged; two persons count and sign a cash count sheet, and cash is deposited promptly.
- Online and EFT receipts are matched to payment references and donor information where available.
- In-kind goods/services require receipt description, condition, quantity and valuation evidence where material; no unsupported value is recorded.
- Donated services are not converted into a tax receipt or financial value unless properly assessed under applicable accounting rules.

5. Discrepancies, Refunds and Rejected Donations

Unresolved differences are recorded in an exception log and escalated to the Executive Director. Material discrepancies, suspected fraud, unlawful payments or conflicts are reported to the Finance and Procurement Committee and Board, and to competent authorities where required. Refunds and rejected donations follow the Donations and Refunds Policy and preserve a complete payment trail.

6. Records

Maintain register extracts, bank/payment reports, accounting entries, acknowledgements, agreements, approvals, reconciliation sign-offs, exception logs and refund records with controlled access and retention.
